WASHBURN GALLERY

COLLAGES

SHAPE OF THINGS Born in 1889 in Hoboken, N.J., Anne Ryan didn't begin creating art until she was in her 50s; she started on her collages soon thereafter. Washburn Gallery celebrates Ryan's legacy in "Shapes of Materials, 1948-1954," which features untitled collages made from found materials and paper. Selections from the exhibit include "Untitled (no. 438)" (1948-54), above. *Through Thursday, April 17, Tuesday-Saturday, 10 a.m.-6 p.m., Washburn Gallery, 20 W. 57th St., 8th floor, at Fifth Avenue, 212-397-6780, free.*
